

LED 12W Hospital Opal Lens Ceiling Light 285Ø  
Model: CL207-12

**DO:** Look for lighting solutions that will distribute light evenly throughout the room.

Uniform lighting like this is safer & more welcoming. You can supplement this with specialised task lamps when needed.

200% Light Output! Don't let your light fixture waste the room!

Mount light on the wall instead for uniform light and for the surrounding for patients who are lying down.
